

Appointment Tracker

This appointment tracker will help you manage your doctor visits and your infusions.

You can write down the dates and times of your appointments with your hematologist/oncologist, eye care professional, and your infusions.

The back cover has a section for writing down notes from your appointments.

Notes:

If you have any questions about resources or support programs available to you, please call 1-844-4GSK-ONC (1-844-447-5662).
